

*North Sea Region Programme VB*  
**Simplified and harmonised**

**North Sea Conference 2015**  
**Assen, The Netherlands**

## Framework of the workshop

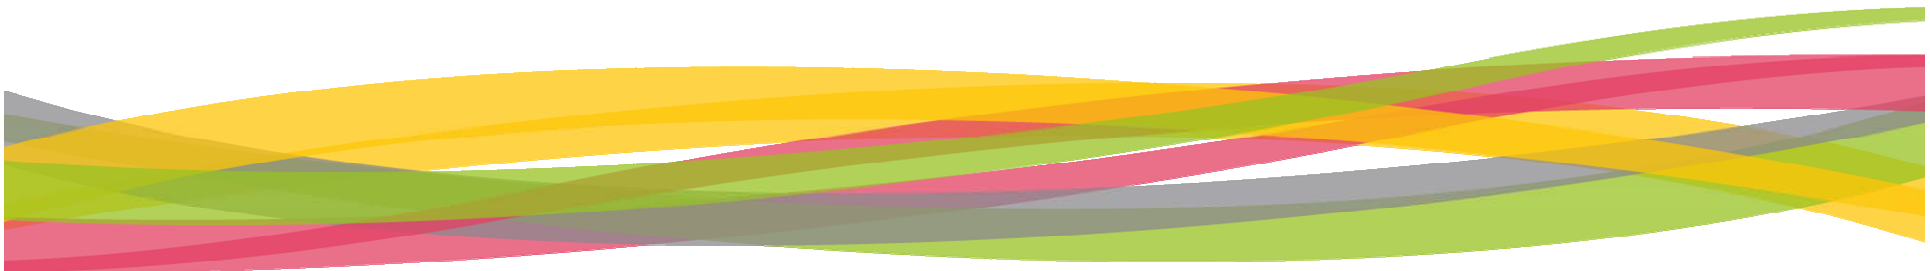

+ 20 min.

– covers the presentation and the questions and answers

+ 10 min.

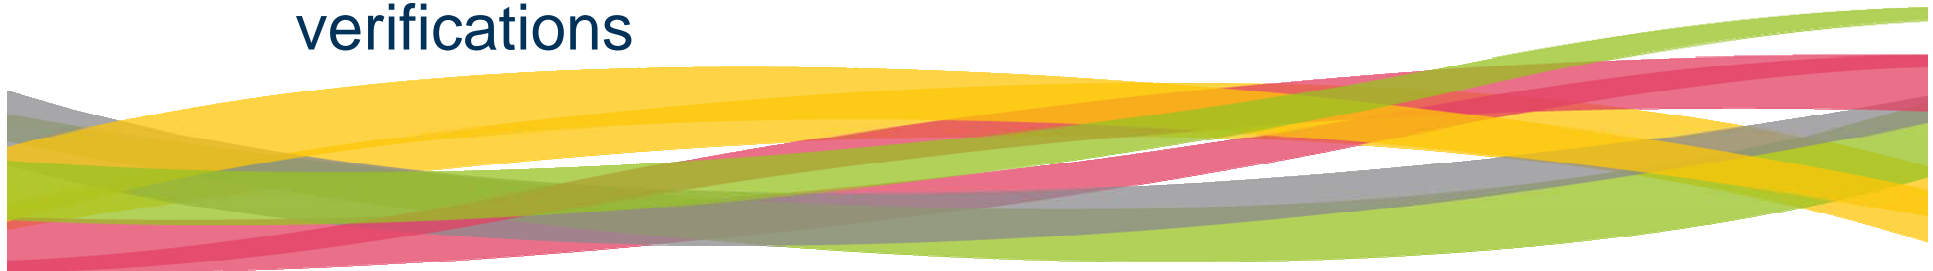

– Time to find your next workshop

+ Questions during the presentation are appreciated

## From IVB to VB – Evaluation report

- + Reporting – online at beneficiary level
- + Indicators – less is more
- + Overheads and procurement
- + First level control seminars and On-the-spot verifications

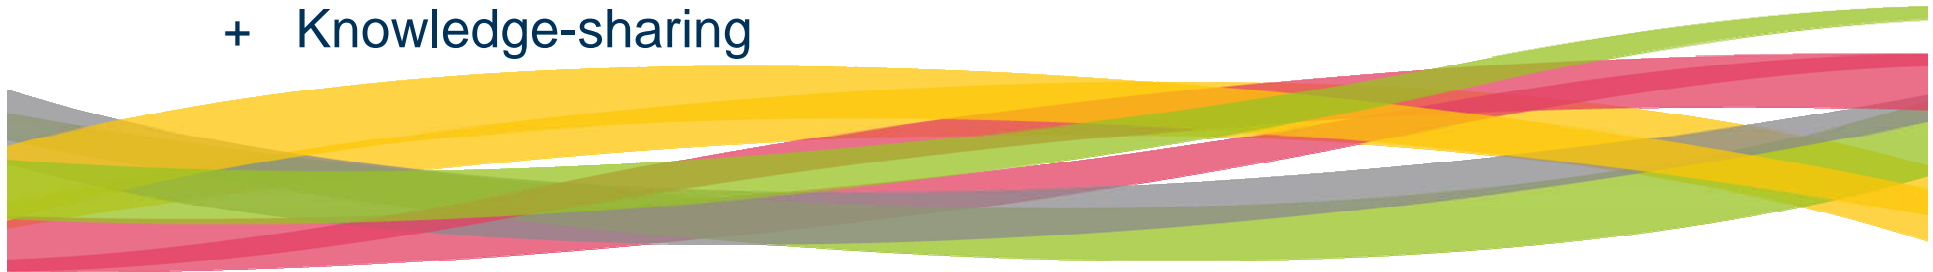

## Before the harmonised Interreg approach

- + Differences from programme to programme.
- + Challenging environment to navigate in.
- + Participating in multiple programmes.
- + Knowledge-sharing

Source: <http://www.kredell.se/uploaded/pussel.jpg>

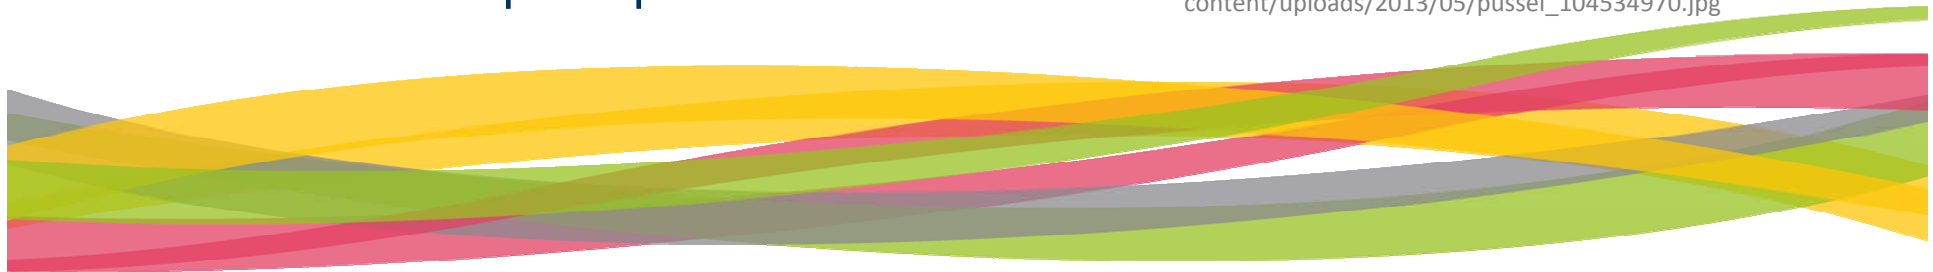

## The harmonised Interreg

- + Harmonisation  
Implementation Tool (HIT)
- + Shared understanding of the  
administrative burden
- + Sharing knowledge
- + The complete picture

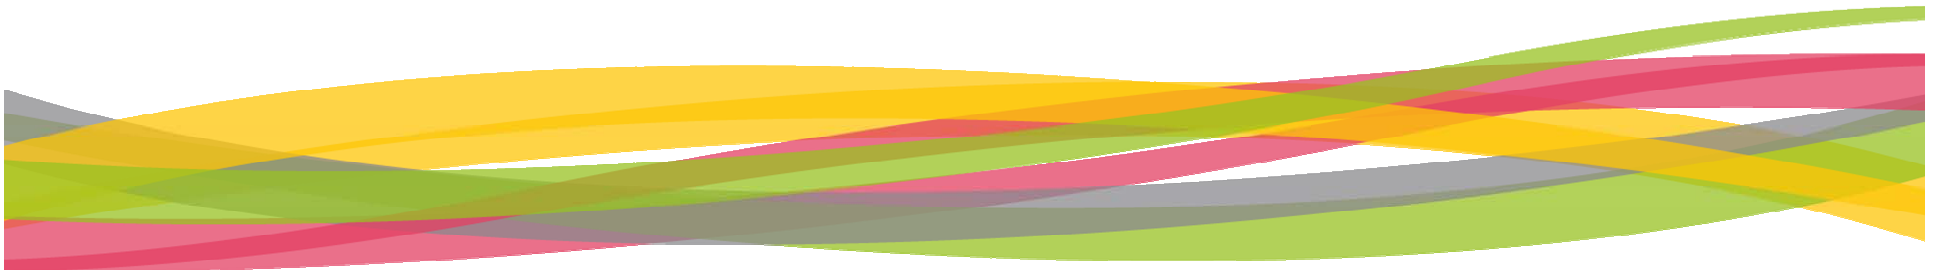

Soruce: [http://www.bemanningskontoret.se/wp-content/uploads/2013/05/pussel\\_104534970.jpg](http://www.bemanningskontoret.se/wp-content/uploads/2013/05/pussel_104534970.jpg)

## What is simplification in our context

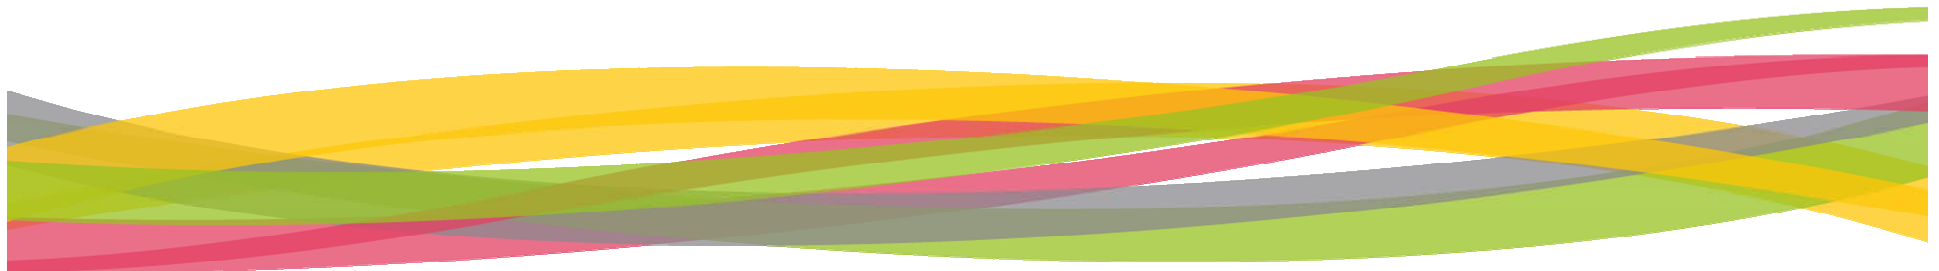

- + New online monitoring system (OMS)
- + 90 days rule
- + Programme Rules (Fact Sheets)
  - North Sea Region website

## Limitations to harmonisation

- + The political area of focus
- + National/regional challenges
- + Lessons learned

Thank you

Any questions?
