

# Minutes PLG Meeting

## Schiphol (NL), November 23d 2018

## PLG meeting Draft Minutes

- Action to Berry Gersonius and Bart Vonk: (1) rewriting the Policy Brief so that it becomes more specific for flood defenses, (2) connect the Policy Brief to the FAIR goals, (3) make it more specific with instruments.
- Action to all PLG members: Discuss the FAIR Policy Recommendation within your organization and give a short recap of your findings during the next PLG meeting in March 2019.
- Action to Ansgar Dettmer: Puts FAIR on the agenda of the Dike Association in June 2019. Ansgar Dettmer will also ask the other Dike Associations in Lower Saxony if they've heard of ISO55000 and disseminate the document. It is difficult to define what else I can do, because we do not have strong connections in the region.
- Action to WP6 Leaders: Will help Ansgar Dettmer to set up a PLG Support Group
- Action to Liesbeth van Riet Paap: Will contact Mister Frank Thorens (BwN) to ask him how to disseminate FAIR in Lower Saxony and if he needs any help with that.
