

# Recap of the Policy Debate session in Hamar

## Sweden

Goal	Ownership, priority and funding are questions to talk about.
Stakeholders	There are a lot of different networks in Sweden that could be addressed. Skane will team up with BwN.
Form	Start with a presentation of new developments from the point of view of the municipality and the national view point. Possibly link the policy debate to the events of the national networks.

# How to make your PLG member active

## *FAIR Dissemination*
