

**RE-ESTABLISHING THE  
GREAT YARMOUTH - EUROPE  
MARITIME CONNECTION:  
NEW PARTNERSHIPS FOR  
UK/EUROPE TRADE**

**MONDAY 14 OCTOBER  
1.15PM - 5PM**

High level delegates and other experts from the Continental logistics/maritime cluster and the British Chamber of Commerce | EU & Belgium will be in Great Yarmouth on Monday 14 October for an event focussed on real outcomes; practical opportunities and overcoming barriers to trade into and out of Great Yarmouth and Continental North Sea/Channel ports.

The afternoon comprises both informal and facilitated networking, introductions and meetings to enable UK logistics operators, shipping agents and providers and their continental counterparts to discuss opportunities for trade and potential partnerships to provide UK/Europe end-to-end logistics solutions.

## WHO SHOULD ATTEND?

- Haulage and logistics providers that can operate into and out of Great Yarmouth or or Continental North Sea/Channel ports.
- Regional users of haulage with an interest in resilient maritime routes between the UK and Europe.
- The wider logistics supply chain, e.g. shipping agents, mechanical services, warehousing, technical, dredging etc.
- Existing and potential importers and exports looking for reliable cargo/freight routes to/from the Continent.
- Organisations wanting to find out more about the respective capabilities of the two ports and logistics supply chains.
- Organisations wanting to find out more about returning cargoes and/ or backhaul opportunities and other practical considerations.
- Offshore or maritime sector suppliers from the Great Yarmouth and Continental clusters, such as re-supply vessels and suppliers of other goods/services.
