# **60 minutes of Blockchain**

---

## **The next generation's stories**

---

*16th June 2021*

# Speakers

**Joanna Junros**  
Gothenburg University

**Nivin Pradeep Kumar**  
University of Groningen

**Marjolein Wiersma**  
moderator

**Christina Raluca Dobritoiu**  
Gothenburg University

**Jens Karlsson**  
Gothenburg University

**Jendrik Mann**  
University of Oldenburg

**Leo Enocksson**  
Gothenburg University

**Josey Ongsieck**  
HS Osnabrück

**Niklas Landsten**  
Gothenburg University

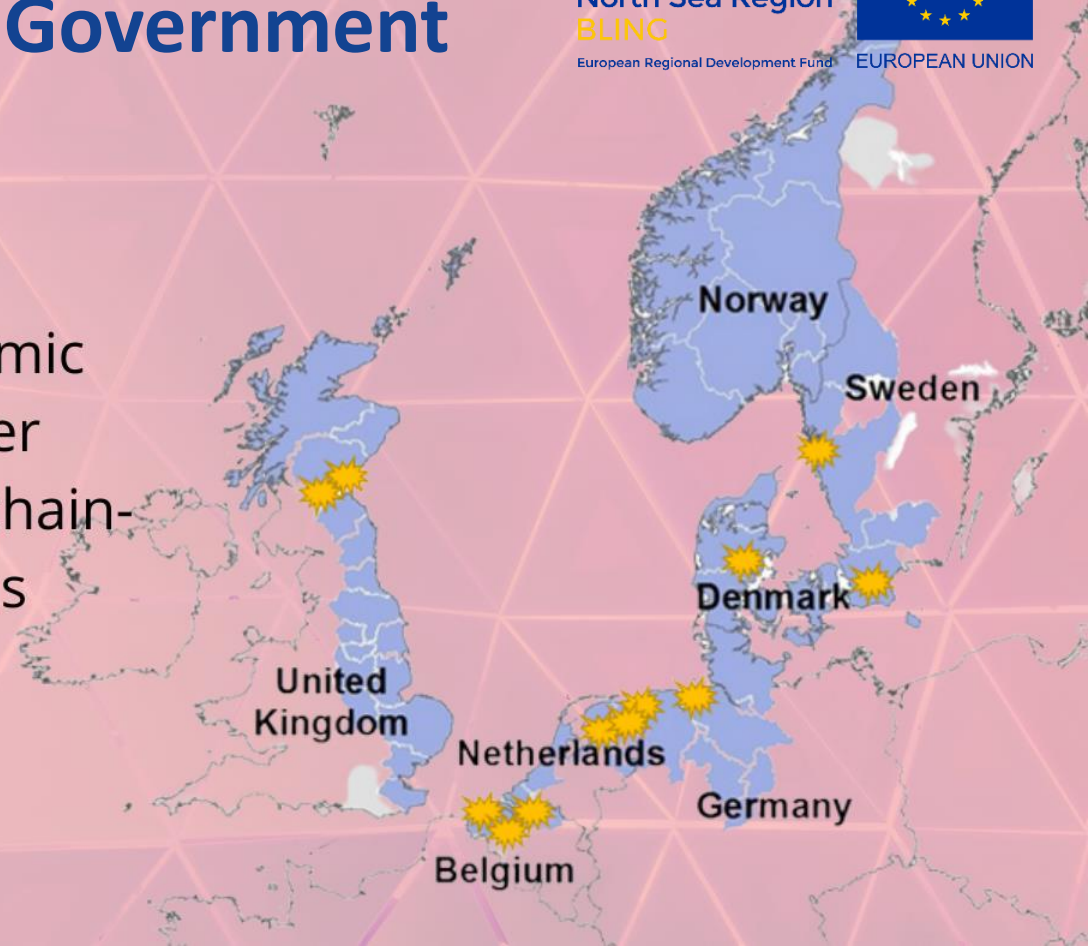

# Blockchain in Government

Interreg  
North Sea Region  
BLING  
European Regional Development Fund

## BLING project

13 government and academic partners working together to develop innovative blockchain-enabled service solutions

# 60 Minutes of Blockchain

Interreg  
North Sea Region  
BLING  
European Regional Development Fund

- 6-part series
- **Start:** after summer break
- 60min sessions (mix of theory & use-cases)
- **Afterwards:** discussions with other blockchain enthusiasts and our experts
- **Themes:** Digital Identity, Transport, Health, Community Building, the Blockchain Ecosystem and Energy

# Program

**Interreg**  
North Sea Region  
**BLING**  
European Regional Development Fund

**15:00 - 15:05** Welcome by moderator Marjolein Wiersma

**15:05 - 15:10** Introduction to the break-out sessions

**15:10 - 15:40** Break-out sessions:

- **Breakoutroom 1:** Implementing Blockchain in the Public Sector
- **Breakoutroom 2:** Blockchain Use Cases

**15:40 - 15:45** End of break-out sessions

**15:45 - 15.55** Interactive discussion

**15:55 - 16:00** Final remarks

# Breakout Session

## Breakout room 1:

### Implementing Blockchain in the Public Sector

- **Managing expectations on emerging technology**  
*Jens Karlsson & Niklas Landsten*
- **Adaptation and expansion of emerging technology in public administration**  
*Joanna Junros*
- **Blockchain in government: implementation challenges**  
*Josey Ongsiek*

## Breakout room 2:

### Blockchain in Use

- **Suitability of using DLT in central bank digital currency**  
*Leo Enocksson & Christina Raluca Dobritoiu*
- **Trustworthy blockchain-based electronic voting system**  
*Nivin Pradeep Kumar*
- **Mobile app for health certificates on the IOTA Tangle**  
*Jendrik Mann*

# Discussion

**Interreg**  
North Sea Region  
**BLING**  
European Regional Development Fund

- How to realize a successful blockchain project in the public sector?

# Discussion

Interreg  
North Sea Region  
BLING  
European Regional Development Fund

- What future studies should be done in this area?

# Discussion

Interreg  
North Sea Region  
BLING  
European Regional Development Fund

- How they see potential areas for blockchain "killer applications"?

# Discussion

- How does the state of the maturity of the technology affect the adoption?

# Discussion

- How challenging would it be to address privacy through DLT in the public sector?

# Socials
