PROWAD LINK Protect & Prosper

NORTH SEA SUSTAINABLE INNOVATION CHALLENGE

Sustainable innovations for a post-covid recovery

INNOVATION SUBMISSION FORM

Your submission for a sustainable innovation can stem from social, economic, environmental (nature) or heritage perspective, or a blend of these linked to challenges in the region. Please use this form to provide the project team with an outline of your idea. Please keep within stated work limits and submit the form to t.b.long@rug.nl.

Summary

Provide an outline of	⁻ 'your idea/	innovation	in no more	than 250 than	words. I	nclude the	? problem
you seek to address, i	how you ad	dress it etc.					

How does it generate social, environmental, economic or heritage impact, and for who?

Duovido an o	
rroviae an o	utline of your idea/ innovation in no more than 250 words.
