INDU-ZERO presents its aims and ambitions

Watch this explainer video to see how INDU-ZERO intends to fast-track the energy renovation of 22 million houses in the North Sea Region by blueprinting specialised factories.

INDU-ZERO presents the concept of Smart Renovation Factory.

PARTRIDGE featured in video and TV

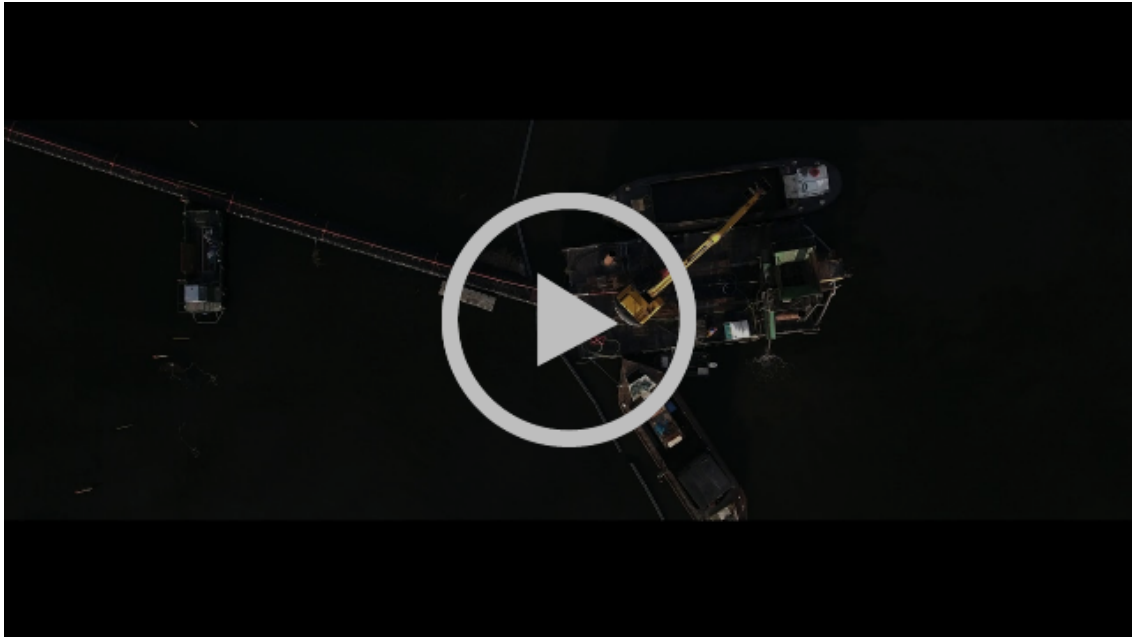

"I believe that we farmers should work with, not against, nature."

Watch this video showcasing how farmers work with the PARTRIDGE project to increase biodiversity on their land. PARTRIDGE was also recently featured on Dutch TV: https://youtu.be/h_t7ueApOtM

CANAPE in action

Peatlands sequester huge amounts of carbon that is released to the atmosphere when they are drained. CANAPE works to restore peatlands and create nature-based economy from them. Here is a sneak peek at how reedbed restoration looks in practice at one of their pilots:

CANAPE restores reedbeds in Chara Bay.
