Events

Discuss climate change at the North Sea Conference

Register now for the North Sea Conference 2019! This year's conference takes a deep look at climate change and how to deal with the risks and consequences.

Interwork Event for applicants: Register now

If you are applying in Call 9 or 10, sign up for the Interwork Event on 25 June in Marstrand, Sweden, just ahead of the North Sea Conference.

News and updates

New digital tools to solve spatial conflicts at sea

The ConnectingSeas conference presented new digital Marine Spatial Planning (MSP) tools that foster multi-use and prevent conflicts.

Festivals: Testing grounds for sustainable business

The Inno-Quarter project is using festivals to help startups design and test products and services contributing to the UN Sustainable Development Goals.

Calls

Apply now: Submit your expression of interest

Do you have a project in mind? Call 10 is open until 8 April - you can still make it! See which themes we cover and learn how to apply.

Tell your project story with video

Join our video contest for ongoing North Sea Region projects! You can submit your video until 3 May .

Project video highlights

Natural Capital brought to you by WaterCoG

How to explain the concept of Natural Capital so that citizens will care about it? Look no further - WaterCoG has done it!
