

Criteria Puzzle

Putting the pieces together

Interwork event – Den Haag

17 January 2019

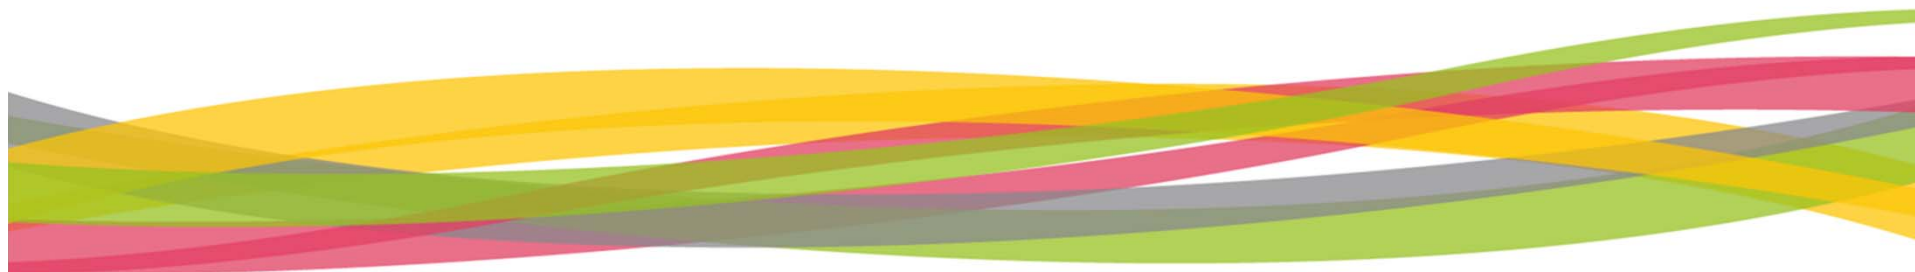

Jesper Jönsson

Criteria Puzzle: Why?

Main objective

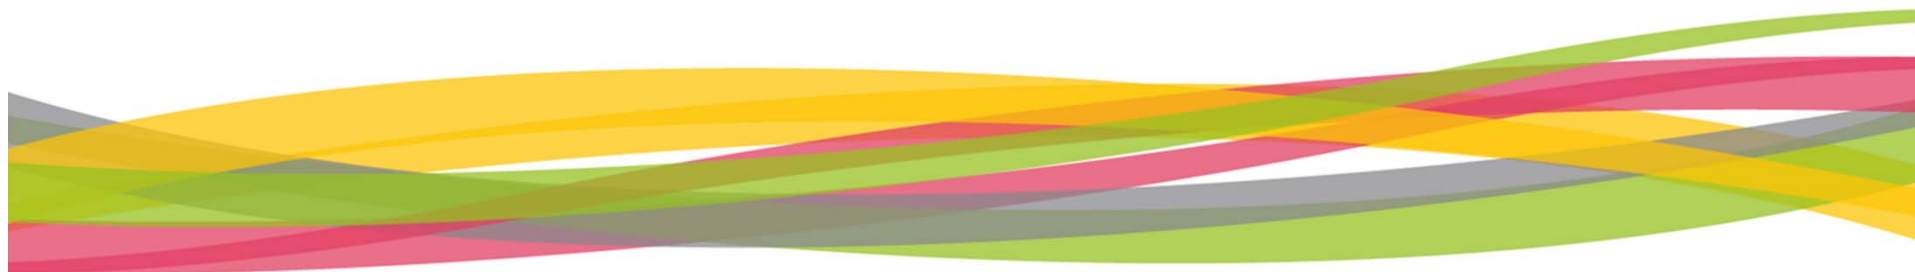

- + Application form: What to consider?
- + Application criteria: What are they?
- + Putting the pieces together
- + Examples

Application form: What to consider?

Four main sections:

- + Main information
- + Project description
- + Project objectives and expected results
- + Project budget

Application criteria: What are they?

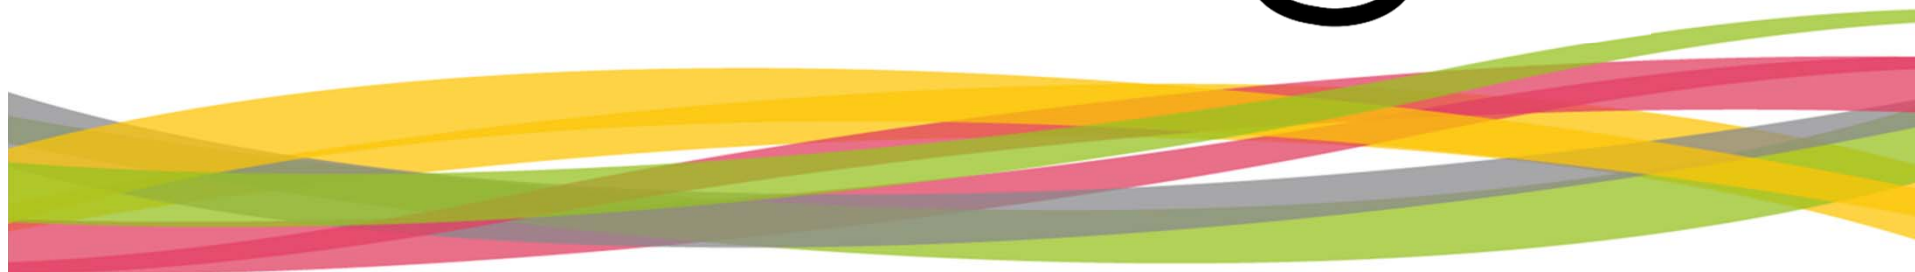

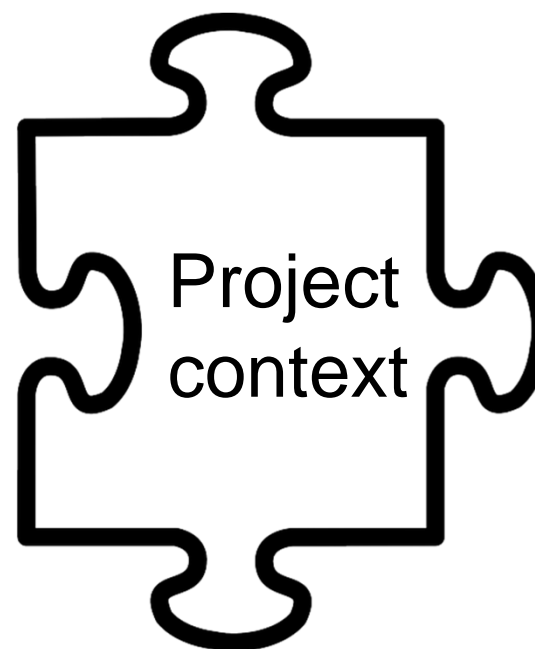

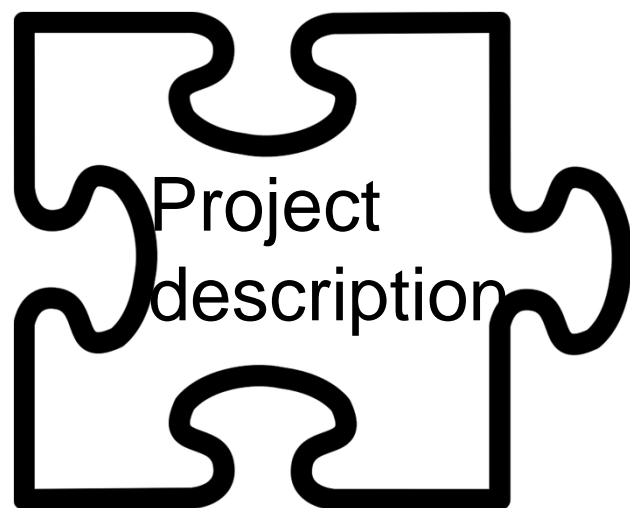

- + Project context
- + Cooperation character
- + Project contribution to Programme's objective, expected results and outputs
- + Partnership relevance
- + Investments and budget

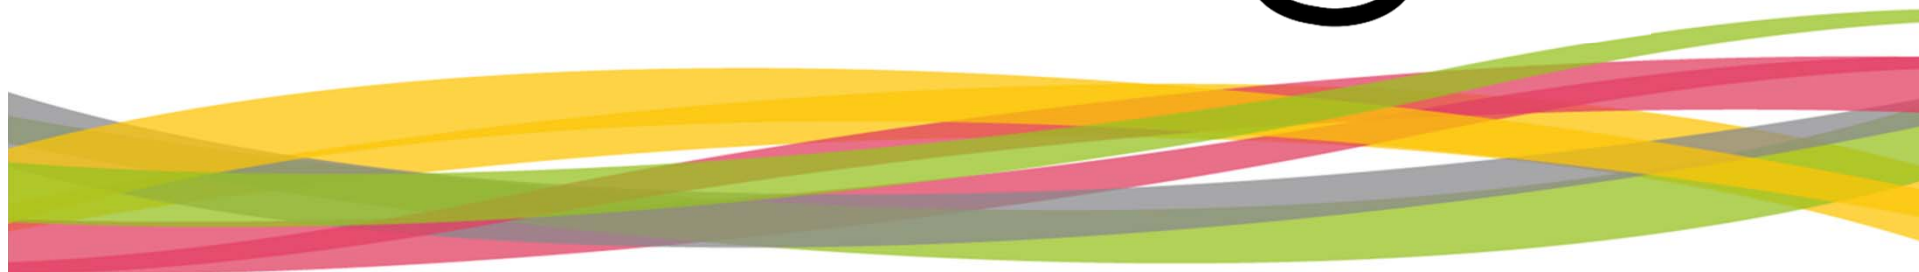

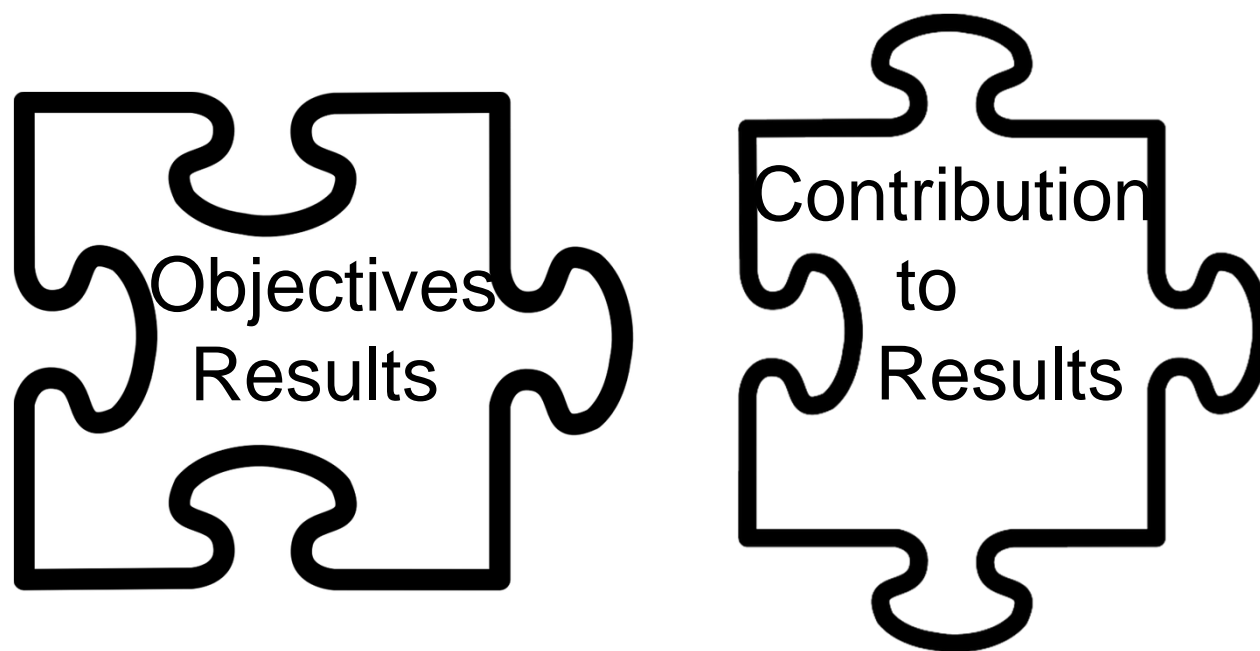

Putting the pieces together

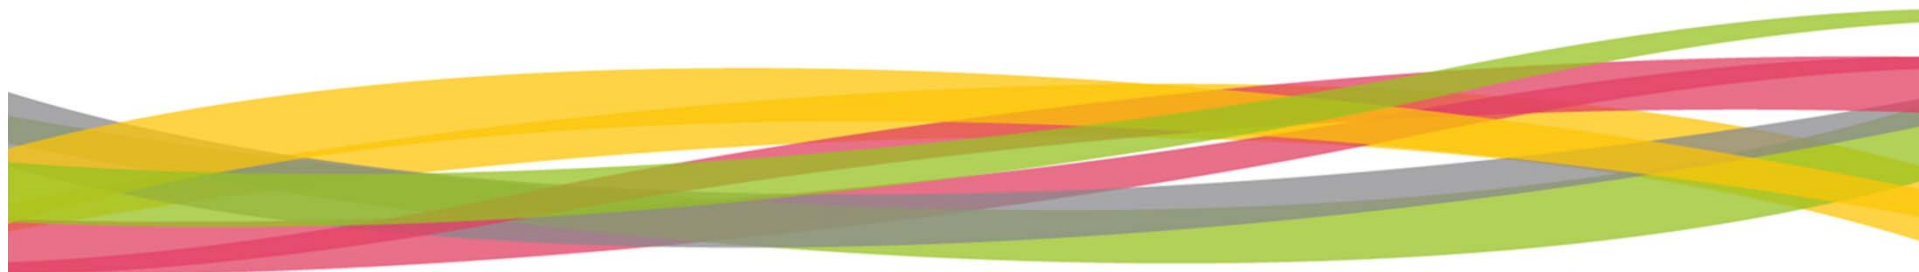

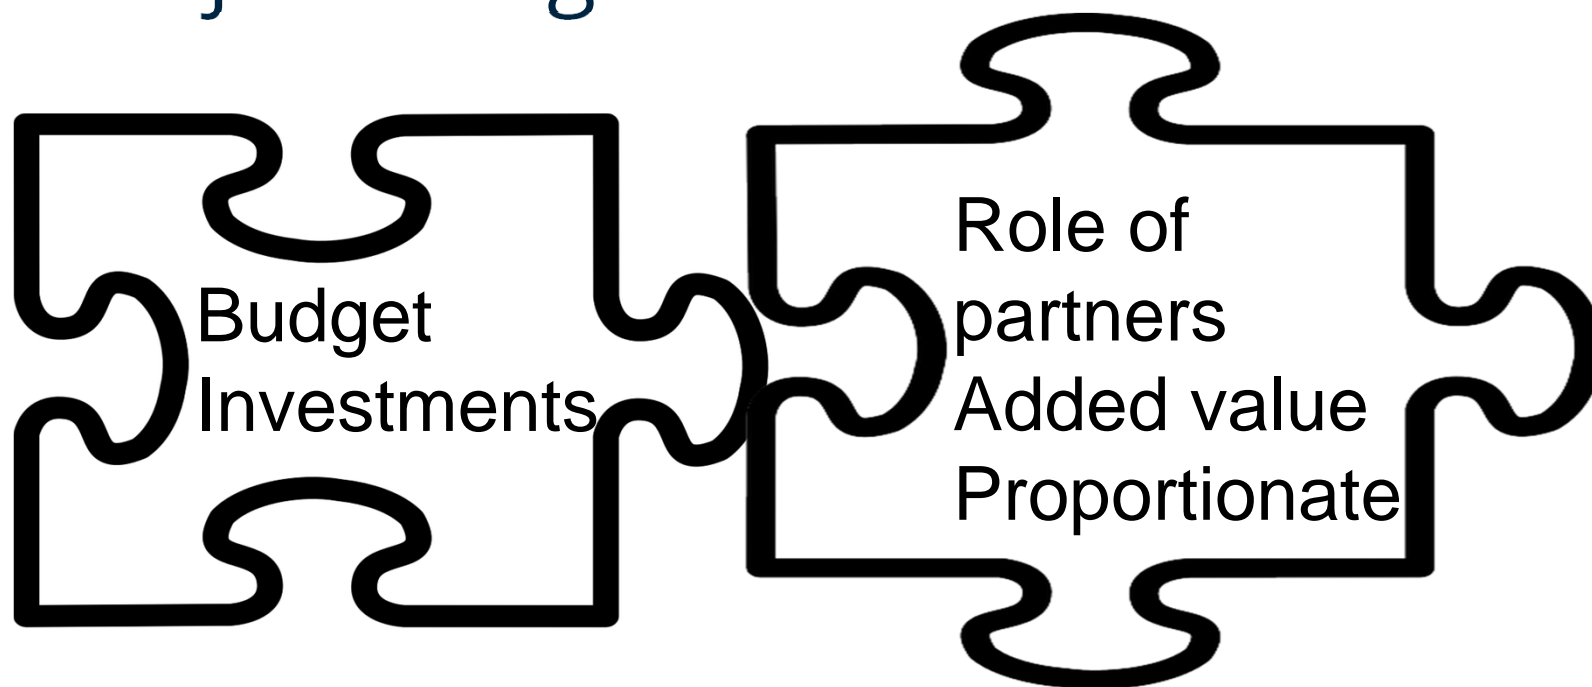

Project description

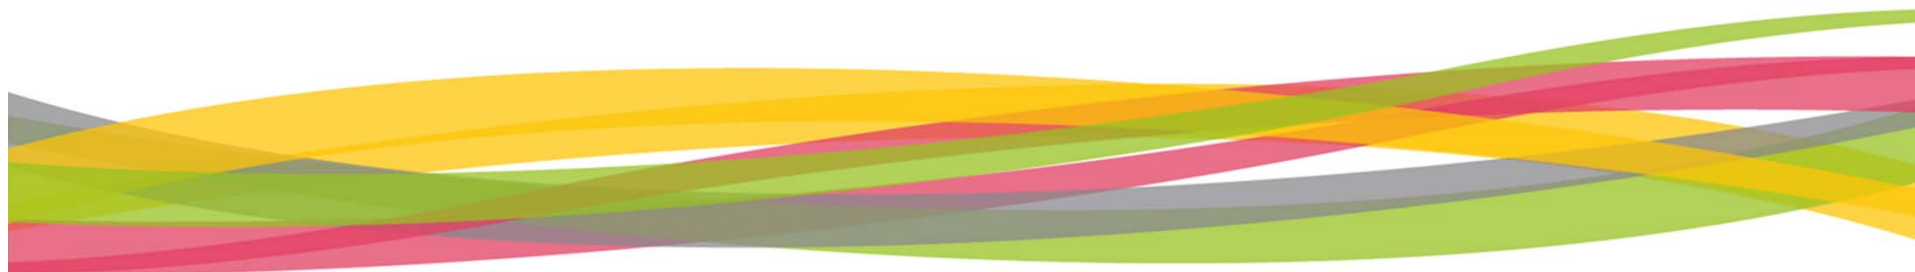

Project objectives and expected results

Project budget

Examples

Project objectives and

“Proposal X” will cooperate with the Baltic Sea Region project XXXX. This is demonstrated by (partner) A and B being partner in both projects allowing such a swift knowledge transfer. Relevant links to MSFD are made as the proposal will include relevant data as part of the monitoring system that will be used.
